

Jog for James 16th July 2016

The sun decided to shine down on us again this year. We had a brilliant turn out of runners and walkers doing the 2k or the 10k walk /run. This year we had a new start and finish venue at Brixworth Country Park, next to the beautiful backdrop of Pitsford reservoir; this was enjoyed by all. We are so pleased to see more families joining us to mark what has become an annual calendared event.

Special thanks must go to Geoff, Sally, Sam, Amy and Emily Hallett for all their support, meticulous planning and organisation. We must also mention the army of helpers working tirelessly behind the scenes, especially Anne and Andy Butler. Without all these unsung heroes, this event would not have been possible.

The winner of the 10k was Andy Green who completed the course in an impressive 40.48 minutes!

A wonderful total of £2,200 was raised which surpassed last year's. Congratulations everyone! A huge thank you to all those who took part and supported AAC. This money will help us to continue funding our projects.

Save the date for next year's Jog for James: Saturday 16th July!
